Tribute from Darren Rathgaber

Relation: Coworker

Liam was a happy, positive, fun to be around guy who was taken way too soon... not sure what else to say besides I will miss him, and my thoughts are with his family and friends.

Tribute from Chris Cowley

Relation: Co-worker

I worked with Liam for a few years while when I was in Swartz Bay terminal. I was always excited to see him on our watch. I knew my day would be a little bit brighter with that happy guy around. His

smile was infectious and relaxing. I won't forget Liam. So sorry to the family and friends. Way to young.

Tribute from Jacob MacLean

Relation: Cousin

Whenever I thought of Liam, I always pictured a vibrant and youthful individual, who's smile permeated no matter what the situation. As a young kid, I looked up my 'big buddy' Liam. Whether it was summer shenanigans at the farm, or riding on his motorbike with him up mountain roads...he knew how to light up a room just by walking into it. Liam was always an inspiration for me, keep your head up, keep smiling, and don't sweat the small stuff. I love you, cousin! And I'll always remember you in my heart and soul.

Love, Jacob.

Karla and I so much regret the loss of your son Liam. I only just found out about it today when Karla asked about you and I tried to find you. I immediately wanted to call but could not find a number so tried the funeral home which offered to make a contact. Our thoughts are with you and hope that you have been able to recover a bit over time although that will always be on-going. In writing I want you to know that we wish you comfort and hope we can talk soon. Send us your address and number.

Sincere regrets, John
