Tribute from Karen

Relation: Niece

Uncle Johny, Joan, Linda, Lisa and families, we share in the sadness of the loss of your wife, mom, Grama, great Grama. Even though we lived a province away she was a presence in our lives and growing up I have fond memories of trips to the coast that always involved a visit with her and Uncle Johny. We were blessed to see her when we traveled to the coast over the years and are glad we were able to see her in October. She will be missed by all those she touched in her life. Love Karen (Brennan) and Terry Oviatt and family.

Tribute from Holly Fowler

Relation: Mom of my best school friend

Lisa, your Mom knew exactly what we did but did not judge. That was the same for my Mom and we will remember for them for turning a blind eye. Hey, we grew up okay because of this . They allowed us to make our choices knowing they were strongly in the background. That to me, is a Mom. Love Hol
