### **Tribute from wendy geddes**

Relation: friend

I have known Lind for over 10 years and it has been such a joy to know her. She exuded a warmth and genuineness that I so appreciated. I looked forward to seeing all her new art endeavors and each was full of surprise and thoughtfulness. We used to have a ritual of meeting for coffee around birthday times. I enjoyed our times together and especially enjoyed Lind and Ed coming for a visit to Gabriola. I will truly miss Lind and hope to cross paths again as she was a very special person and wonderful friend.

### **Tribute from Kathy Green**

Relation: Portrait painter of my 3 children

Lind painted portraits of my 3 children when each reached the age of 7 - the first being in the Yorkdale store in 1973. They still hang in my living room today - I just love them. My daughter-in-law asked about Lind and I did an online search and read the sad news of her passing. I remember her as being

such a lovely warm lady. I was so very sorry to hear the news. She will live on and be remembered in her magnificent work. I send my deepest sympathy on your loss.
