Tribute from Karen Munroe

Relation: former babysitter/neighbour

Although it has been many years I have thought of you and the boys often. Linda, you were such a fun and wonderful lady and a loving mother. You have earned your wings.

Tribute from Sue and Kris (Buckley)

Relation: Friend

This is such sad news, Linda and my family go way back to when the boys were little and living on Marchmont Rd. We are going to miss your hug we always got when we saw you and that smile. Rest my friend and much love to your family
Hugs always Sue and Kris

Tribute from Sheila Brenton (Budd)

Relation: Schoolmates

Linda and I were friends in school. Lake Cowichan Secondary was a much better place because of Linda and so was my life. Although we took different directions after school eventually losing track of one another I thought of her often and it always brought a smile to my face. My thoughts and prayers go out to her family and friends. Gone but never forgotten.

Tribute from Miriam Fry

Relation: Friend/co-worker

Brad, Brent and family;

Your mom had the greatest sense of humor. We worked together for a long time and her love for her sons was immeasurable. Each day she came armed with a new story of your shenanigans that would have us all howling with laughter. She was a wonderful mother, daughter, sister and friend and I am extremely lucky to have shared a small part of her life.

Tribute from Anne Greer

Relation: Former workmate

To Brad and Brent and all of Linda's family I send my deepest condolences. I had lost touch with Linda after we worked together in Duncan so it was a shock to see the notice of her passing in the paper. She was a wonderful person full of fun and laughter and will be sadly missed by everyone who knew her. Be at peace now Linda. Anne and Keith xxx
