Tribute from Pauline and Dino Ribeiro

Relation: Friends

To express our sincere sympathy to you and your family and to let you know we are thinking of you.
Remembering You
Linda your time on earth seemed all too brief because we wanted you in our lives forever. And although we really miss you, in our hearts we know that you are at peace. Still, countless times throughout the day we find ourselves remembering you. Although we cannot see you or hear you, we kow that you are with us. We are thankful for the times we have shared and the priceless memories too; for those memories are a comfort now when we lovingly Remember You.
