Tribute from Brenda Braaten

Relation: Through Steve and Grant, and just the community in general.

To All the Garnett Family. We met Grant and Lois early upon moving to Mill Bay in 1977. Lois came to many and most of our concerts and we enjoyed seeing her there. One year, our group came to the Garnett home and played and sang for Grant. I assume it must have been his birthday - Steve will remember. We had a pool party at their home one year as well, again through the fire hall. We always felt comfortable. We are both sorry for your loss. With much affection and connection, Brenda and Cliff
