I am sorry to hear about the loss of your dad. The obituary captured the very sense of the man I knew to be your dad. We met in Teulon and I had the privilege of serving on the library board with him. We shared the drive to the meetings many a time. Lorence entertained me with many stories and I visited both your parents in their home here. He was truly a special man, kind and friendly. My heartfelt condolences.

Tribute from Roger Leuzinger

Relation: Co-Worker--Man. Water Resource Div.

My condolences to all members of Lorence's family. He was a terrific and responsible Survey Party Chief for many years. Although we did not socialize, our Monday morning coffees were always filled with stories encountered by Lorence the previous week. Rest in Peace my friend.
