

REMEMBERING Lorill Jones

February 10, 1954 - February 11, 2019

Lorill T Jones nee Louise Marie Madeleine Bremner

Feb 10, 1954-Feb 11, 2019

She left a legacy of beauty with her silk paintings. Her cards were given to anyone who admired them and were often given as delightful gifts to family and friends. Lorill was able to create the most beautiful clothing on our Nana's old Singer sewing machine.

She was brave and kind, doing battle with many physical ailments. She did the best she could with her Bi-Polar condition and would soldier on even while battling deep depression. She often did little acts of kindness like giving money to charities, or sharing what little she had.

In the end all she wanted was peace from all the hardship that had been in her life. She is now with her family who welcome her with love.

"If there ever comes a day when we can't be together, keep me in your heart, I'll stay there forever." A.A. Milne Winnie-the-pooh
