Lorna Elaine Anderson

Lorna Elaine Anderson

April 12, 1939 - August 26, 2012

Lorna passed away peacefully with dignity, grace and courage. Lorna was a giver, in every sense of the word. She was the most generous, kind hearted, positive person you will ever meet. She always put others before herself right up until her final moments showing her true integrity and character. Lorna had a green thumb, she could make anything grow. She loved to garden, read, shop and spend time with her family. A very private person, although those who were lucky enough to know her realize the impact she could make within a very short period. Lorna volunteered at the OAP and was loved dearly there by all. She often gave to different charities including wildlife, heart and stroke, diabetes. Survived by her loving husband, best friend and soul mate of 53 years Cubby (Gary) and their children; Lorelea (Rob), Sandy (Mike) Joey (Kim), Patty (Tony). Brother Dan (Val), nephews, cousins, extended family, and her beloved grandchildren who adored her and called her "Nana". No service by request, and in lieu of flowers donations can be made to a charity of one's choice.
