Tribute from Lonnie Young

Relation: I worked with Cecilia for many years in Vancouver while at Ladner Downs.

Cecilia: so sorry to hear of Lorne's passing. He was ill for many years and when we lost touch after your move to the Island I often thought about the both of you and how you were doing. Your love, care and vigilance gave Lorne a long life despite the many challenges he faced. Do take care of yourself and whenever you come to Vancouver, we should try to get together. Wishing you the very best in the future.

Tribute from Barb and Gary Podmoroff

Relation: Neighbour and friend

Cecilia, we were very saddened to learn of Lorne's passing. It was a very hard battle that you both fought courageously for so many, many years. The heartbreak and stress must have been insurmountable at times but your love and dedication to each other shone through. Thank you so much for all the effort you put in to making the Properties neighbourhood a friendly place to be and it

was a privilege for us to know both of you.

We hope you can find some peace knowing you did everything worldly possible for Lorne and how lucky he was to have you in his life.
