Tribute from Suzanne Moyes

Relation: My very best friend and one of a close knit group of four that did everything together.

Allyson was one of very vest friends and she will be dearly missed. It is so unfair, she had so much more to give to life. I wanted to convey my condolences to her family and let them know I am praying and thinking of them every day and hope it helps them make it through this unexpected tragedy in their life. I miss you Allyson, you were like a sister to me, Rest In Peace.

Tribute from Dianne Moore

Relation: first cousin

I am so sorry to hear of Allyson's passing. We were just getting to know each other again. She enjoyed talking and reminiscing about the extended family of Patterson & Foulis and bygone days. Even remembering her when she and Bernice we born in Point Grey. I wish I had known her longer. Our Condolences to all of you.

It is with great sadness that I've read of the sudden passing of Allyson. Allyson and I spent many years working together. I'll always remember her great sense of humour. She was also a wonderful roommate while my husband was away on active duty. My sympathies and warm thoughts are with the family. Rest In Peace, Allyson.
