Relation: Landlord,but more like family.

My name is Shelly,my husband's name is John and we have three daughters, Elizabeth, Darion and Celine. We have lived next door to Jerry and Manjit for 5 years. They are part of our family. I am so very sad and my heart breaks for Manjit's family. Since we have been renting the house from them we have never wanted to move because they are such wonderful people. Manjit's love for her sons and the joy her granddaughter brought her was beautiful. She and her husband Jerry were best friends. The world has lost a very special person. We Love you Manjit, and will miss you every day.
