Tribute from Pam (Daniel) Wilkinson

Relation: As a friend

Anne will always remain in my memory as a true and caring friend.

We first met at Oak Bay High and continued to share stories and connections off and on through many years.

We were able to continue our phone conversations and catch ups even during Covid.

I will truly miss her.

Tribute from Sylvia Constable

I knew Anne through singing in a church choir and we had many laughs together

A woman of substance -condolences to the family

Tribute from Maureen Archambault

Relation: I first met Anne at Craigflower School where I was a teacher and she was the district nurse 53 years ago.

Anne was a lovely, caring person and she and I enjoyed a long time friendship.. We've kept in touch through many stages of both our lives. I am glad she had found a happy place to stay this last while, close to family and enjoying the friends she met there.
