Tribute from Lena Lee

Relation: Another concerned activist

Please accept my sincere condolences in the loss of a very special person, Margaret Milne. I met her a few weeks ago at Thrifty's check out. She commented on how much she enjoyed my anti Bamberton letter in the News Leader. I thanked her politely and asked her name and how she knew me. She replied "most of us know you in this community and I met you some time ago." Then I asked her name and I remembered it when I read the obit column. I'm very sorry for your great loss.

Tribute from Sandy and Erle Duclos

Relation: Friends

We were deeply saddened to read about Margie's passing. All our heartfelt condolences go out to her family. We remember her for her humor and her very distinctive laugh. Even though we did not have a chance to visit with her in recent years, when we did run into her at Thrifty's in Mill Bay she always had a cheerful remembrance of the time we had spent together years ago and always insisted that we had to get together once again. It was as though the time had never passed!!! We love you

Margie and you will be missed.
