**Tribute from Bernadette McCormack**

Relation: Sister

Such a beautiful tribute for such a big life force.

My sister influenced me in more ways than I can count. She was always up for a laugh. Oh, we could make each other laugh! I will feel the loss of her life for the rest of my days, but I know our memories together will comfort me and make me smile.

**Tribute from Scot MacKillop**

Relation: Friend

A wonderful tribute to a truly lovely lady. So sorry for this sudden and unexpected loss. I reflect on my memory of Maricel as a bubbling, babbling, brook. Always playful and flowing energy moving in a definitive overall direction, but with an anticipated splash in some unexpected direction. I know she will be dearly missed by many, but know her dancing spirit will live on...peace to all.

Gord, We are so sorry for your loss of a free spirit as in Maricel. It was great to get together and hang out with you in March and this news comes as such a shock. We hope you find comfort in your special memories! Paul & Denise
