### **Tribute from Paula and Kevin Anderson**

Relation: Friends

Marie was much loved by us and will be dearly missed but never forgotten, her quick wit, go get it attitude, infectious laugh and the biggest warmest hugs, she took me under her wing being in a new place and being a new mother, without family there she took on the role of surrogate mother to me and my new family and gave me the confidence as a new mother and will truly always be a part of my family, I can see your beautiful smile and still hear your laugh and it brings a smile to my face. Rest In Peace sweet Lady

### **Tribute from Ruth Quinn**

Relation: Neice

I was shocked to hear such sad news and that my Auntie Marie had passed away so suddenly. I know we live so far apart and have lost some contact over the years but I do have such fond memories of summer holidays spent with Auntie Marie and my cousins when you all lived in Cornwall before you emigrated in the late 70's. I remember Auntie Marie as being lots of fun to be with and have never forgotten my holidays. So from afar I just wanted to let you know that I am thinking of you all in your time of loss and sending you my deepest condolences. Love From Ruth and family (Gibraltar & UK) xxx
