Tribute from Richard Thompson

Relation: co-worker/ mentor/friend

Marilyn is a kind soul whom will be greatly missed, I was lucky enough to have her as my co-worker/mentor and most of all friend. My time with Marilyn has made me a better man from which I will always grateful.

Tribute from John and Marie Halliwell

Relation: neighbour

To Marilyn McManus. We wish to offer our sincere condolences. Though we didn't know Marilyn very well - we know that we were pleased to have her as a neighbour. She seemed to have a zest for life and it is regretful that her life was cut short.

Tribute from Suzanne Simpson

Relation: Former co-worker

I worked with Marilyn for many years at Youth Empowerment Society. She was very committed to and really cared about the youth she worked with. She was a great team player and colleague. She will be greatly missed by the youth, families and professionals of this community. My sympathies to her family, friends and coworkers.

Tribute from Michelle Bergeron & Al Beattie

Relation: she was a client and a co worker

I was always attracted to Marilyn's kind beautiful soul, it just felt good to be around her. She was in and out of my life a few times and I'm saddened to think not again. I'm sure she left such goodness with many. She did a lot to help our troubled kids for which I greatly admired. Thanks Marilyn.
