### **Tribute from Alicia Todd**

Relation: Best school Teacher of mine !

Marion. It has been n honor to have known you and Tom . People like you two come very seldom and are very dear to me . You both were wonderful teachers and great people to know. I will miss your smiles, your joy , and your goodness . With much Love

### **Tribute from Dan Hughes**

Relation: Friend of the family

My sincere condolences to the whole clan. Marina (although I will always think of her as "Jon's Mom") was endlessly patient, even when a large group of teens were forever hanging around. She always had a kind word, even if we had kept her awake all night long with our nonsense.

### **Tribute from Heather Wisla**

Relation: Relative through husbandâ€™s family.

Marina - such a kind and hospitable soul, model citizen, loving mother, caring friend - feel grateful to have known her and Tom.

### **Tribute from Cathy Campbell**

Relation: Through Dawn, and in the school district

To Marina's family... I'm sorry to read of her passing. I hadn't seen her in many years, but had the good fortune to meet her again this past winter at a day programme she was attending. I know that her quiet wisdom, humour and personal strength will be greatly missed. Please know that you are in my thoughts.
