Tribute from Danielle

Relation: I helped in the garden

I only knew Mrs. Morris for a few months working in her garden this past summer. She was very kind to me and was a pleasure to work for. I only hope I am as sharp, pleasant and witty as she was at her age and able to work in the garden for as long as she did. A true gardener. My thoughts are with her family for their loss. My condolences.

Relation: Family friends

So sorry to hear about Marge. Our families were very close in Port Alice. Pat and I were in scouts together.

Marge was always working in her beautiful garden across the creek from our house.
