Tribute from Norman Loy

Relation: Friend

A great person I had the pleasure to call a friend. I'm so saddened by Martin's loss and wished I had the chance to see him one more time before he departed us, I'm sure he would have made me laughed even in his declining health. I'm so sorry for Maureen's loss. Stay strong Moe, we'll be in touch soon!

Tribute from Douglas Raymond JONES

Relation: Good Friend

My most sincere condolences to you Maureen and your family. What a great guy Martin was, always a hearty laugh and a smile. It is nice to read of all his life time achievements, many of which I was unaware. Together we shared so many adventures, I, along with so many others are really going to miss you buddy!

Sincerely, Doug

Tribute from Sandi Lovas

Relation: Worked together at BCTel

My heart is breaking for your loss Maureen, and every one who Martin had touched with his love. Working with Martin at BCTel was one of my favorite memories. Such a gentle man, always kind, logical, calm and caring. Maureen, I'm so very, very sorry for your loss. It was always apparent how much love was between you two.

Godspeed dear Martin.

They say the worth of a man is not how much money he has made, but how many hearts he has touched along the way. You will be missed so dearly.
