### **Tribute from Carolyn Kelly**

Relation: A friend from years ago.

We are sad to hear of Maureen's passing, and our deepest sympathies go out to all of the family. When our children were young, attending the same school in Prince George, we were part of each other's lives, as Mike and I had also worked as FA's at one time. We attended the same church, and occasionally visited together. In recent weeks, riding my bike, I have thought of Maureen and her family when I pass by their former house, and wondered how they were, and where they were. We remember Maureen's encouraging smiles and words, and her love for people. Peace be with you all.

Relation: Very good friend of my sister

So sorry Dave & family for your loss. Maureen was a wonderful lady, fun to be around. We have a photo that she took of the old Nechako bridge in Prince George that someone bought for us on the island. We have good memories of fun times at Dee & Ron's. Our deepest sympathy, Clary, Dorothy, Natahna & Krysta

### **Tribute from Marleen Murphy**

Relation: friend from Prince George Days

Dear Dave, Maria, Elizabeth and Andrea, I was saddened to hear of your loss. I remember first meeting Maureen in Prince George and we hit it off and shared many a cup of tea and good recipes while our children had a good play. We moved to Nanaimo and later randomly met on the street one day. We had a good visit to talk about all the good places on the Island. I remember the day Dave

and Maureen came to our house and we had a good catch up visit. Although we didn't see much of each other since the move to Duncan, it was always nice to catch up when we did talk on the phone. Thinking of your family now and wishing your family the blessing of good memories of your wonderful family life. May you find strength and find peace in the coming months and years.

**Tribute from Chris Murphy**

We were so sorry to hear about Maureen's passing. To Dave and the girls, Maureen was so kind and I will always have fond memories of her when I was teaching Elizabeth at St. Mary's School and working with her at Sacred Heart School. She was always so concerned about the well-fare of other people and was so good about reaching out. Praying for you all. Love Chris and Terry Murphy

Relation: Friend

What a beautiful woman - may you be in peace in his arms now and forever. I know of you only through your daughter, years and years ago it seems. What a beautiful soul you brought into this world and I am thankful to you for that. If I had been stronger then and had I known how to show true love, I may have met you. My name means ocean and I see you standing before it in that picture....I see the same warmth in your eyes that I saw in hers... what the tide can bring to us.. but only for a time. I want your daughter to know that I give my love to the world now the best I can - a gift God crafted from my misfortune and pain as only He can and does....I had to say this as I never have before...I love her still..why I don't know....a lost soul mate or lost friend or something that I let slip away.....from those mornings in the fragile Autumn under the clock tower as we crossed paths....how I wish I could turn time back to her....
