REMEMBERING

Maureen Tait

May 9, 1936 - December 31, 2014

Maureen passed away peacefully at Cowichan District Hospital after a difficult year. Predeceased by husband George, parents, Janet and Walter, brother, Walter, sister-in-law, Victoria and brother-in-law, Bing. She is survived by daughter, Amanda (Brian), sister, Evelyn, in Scotland, nieces Brenda, Janet and Beth and nephew, Walter. Mum's passions in life were painting and gardening. A talented artist, she was a member of the Cherry Point Art Group. The garden that she and Dad created and nurtured brought her many hours of joy. Mum bravely faced many challenges this past year. Her circle of friends, both in Edmonton and in the Cowichan Valley, was a never ending source of strength for her. Many thanks to Dr. Wong, for his care and attention, Dr. Morgan, LPN Ann and the 2-South staff at CDH, and a very special thank you to Jan, whose friendship cannot be measured. At Mum's request, no service will be held. There will be a gathering in the spring in Mum and Dad's garden. In lieu of flowers, please consider a donation to Providence Farm – Arts Program or to the Cowichan District Hospital Foundation – Echocardiography Campaign. On line condolences may be offered at www.hwwallacecbc.com
