Relation: friend

I was so sorry to hear that Mike has passed away. I knew him for years when I lived in the Cowichan Station area, where he was a great help to me on many occasions. We used to have coffee at the log building on the TCH in Duncan. Mike was a great guy, very generous with his time and friendship. I will miss knowing he is around and am very sad that he died so prematurely.

Relation: His sister Marv is a family friend

Don't think of him as gone away-  
his journey's just begun  
life holds so many facets  
this earth is only one.

Just think of him as resting  
from the sorrows and the tears  
in a place of warmth and comfort  
where there are no days and years.

Think how he must be wishing  
that we could know today  
how nothing but our sadness  
can really pass away.

And think of him as living  
in the hearts of those he touched...  
for nothing loved is ever lost-  
and he was loved so much.

' When God sees the talent he has created, and sees how it effects those of us that dream, he scoops up that talent by means of tragedy, brings them upstairs, and pins wings on their back'. I'm not responsible for that quote, but I thought of Mike when I happened upon it. R.I.P Mike.
