

## REMEMBERING

# Michael Lance Antoniuk

September 3, 1966 - July 2, 2012

ANTONIUK: Michael Lance - Passed away suddenly on Monday July 2, 2012. Born in Vancouver BC on September 3, 1966. Predeceased by his mother Laura. Lovingly remembered by his family; father Marvin; sisters Marvinna, Myra (Rick) brothers Marvin, Mark (Catherine), Mitch (Kelly), brother and best friend Miles and his nieces and nephews Samantha, Rhys, Chase, Hannah, Cade, Evie, Emma and Olivia.

Mike was always willing to help, had a strong back, a problem solver, handyman, peacekeeper, at times he appeared to be a follower and yet never compromised who you are as a quality friend and great leaders. He led by example, though not often as to be blind to see. Mike was compassionate, generous, loyal, helpful and loving always giving freely of himself. We often received these gifts you gave without appreciating their true value. It is true we don't realize what we have until it is gone. We will strive to learn what you tried to teach us. Who will be the handyman, mower, driver, and friend now that you are cutting God's hedges.

With love from all of us, until we meet again. May you find love and peace in Mom's arms.
