

REMEMBERING
Michael John Duringer

1947 - March 15, 2026

Mike worked a great deal of his life in logging camps, a lot of them up the coast. When he had enough of the bush, he moved on to driving gravel truck. He leaves behind, his wife Pat, his daughter Pam Humphrey (Doug Leydon), son Michael and wife Andrea Duringer, his stepchildren, and 8 grandchildren as well as 6 great grandchildren from the blended family.

We will all miss his infectious laugh and the constant jokes.

Rest in Peace Mike.
