**Tribute from Karl Fielding**

Relation: friend/bodyguard

To Deb, Tyler, Michelle and family- it was a pleasure meeting you, even under such sad circumstances. I offer you my heartfelt condolences, and my wish for you is that the years of happiness and good memories ease the grief you are feeling. I am only a phone call away if you need advice or even just a friend to talk to in the middle of the night. Thank you for allowing me to spend the time with you- I hope my presence helped you for the brief time that we walked the path together with Mike. He was a larger than life personality and it was my honour to have known him, and the rest of the family, if even for such a short time.

**Tribute from Bains**

Relation: Boss, friend

Sincerest condolences to Deb, Michelle, Tyler. Mike was a mentor to me. I will never forget when he said, "we worked hard, let's go for a beer".
