My condolences to the family. I once owned the bar in Aylesbury, and it was always great to have Mike drop in. The stories and jokes he told, kept us all amused and entertained. He was a great guy.

Relation: lifetime friends

Sorry to hear of Mikes passing. Have not seen him much since he moved to BC. Just have to look out the window at the "Law" farm to revive a flood of memories. Barn has tumbled down but not much else has changed. As kids on the farm, riding the bus, at the rinks, at your post office. Later years drinks, lots of laughs, Mikes jokes.(Had six women pounding on my door last night, finally got up and let them

out). Hundreds more!! What a sense of humour!! Had Riders season tickets together for a few seasons. Would start game day with a beer at Aylesbury Hotel then a beer and burger at the practice field next to the stadium. Never left the game early, win or lose. Then back to Hotel. Mike was very generous, always putting others needs ahead of his own without a second thought. Also totally honest and trustworthy, traits inherited from his father Bill. Hope to see the rest of the family again soon.

Tribute from Patricia Gruenwald

Relation: Aunt.

Mike lived with me for a time and we had good times together. Needless to say, we never missed a Roughrider game, or a Nascar race. i didn't know much about the Nascar races but Mike kept a commentary going so I learned. I loved Mike like a son and felt privileged to call him a relative. He loved family gatherings and always had a joke or two to share with us. He had a great relationshi[p

with his Sister Leslie whom he loved dearly .

There will always be a spot in my heart for Mike. i shall miss him but know that he is at peace.

Tribute from Curtis Ketter

Relation: Friend

Deepest condolences to Leslie, Barry, and all of Mike's family and friends.

Mike had a big heart and was special in the way that he connected with people. He will be missed, especially during those times around the campfire.

Tribute from Brian Anderson

Relation: Cousin

Mike was my cousin. I haven't seen him for a while but I do remember the times my mother, sister and I used to visit his family farm in Saskatchewan when we were growing up. We had a lot of fun. In the later years I didn't see as much of him as I would have liked. Him and I both enjoyed watching Curling. In the past few months I had been sending e-mail jokes to him hoping they would help to cheer him up. He was a real trooper and went through a lot in the last year. I will miss him and hope that he is resting in peace. My thoughts are with you Les and Barry and thanks for all you did for Mike.

Tribute from Tracy and Jeff Riston

Relation: Cousin

I have fond memories of spending time on the farm in Saskatchewan during our summer holidays. Mike was the quiet cousin but a hard worker and always so darned polite. He had a great sense of humor similar to his fathers. You could miss a joke if you were not paying attention. Several years ago Mike came to visit me for dinner in San Diego where he was driving a truck delivering fruit from the Dole warehouse. He loved driving and mentioned how much he loved being a tour bus driver. He had a great personality for it. He was also very proud of his truck which he showed me when he was visiting. I remember mentioning how organized he was to have all his belongings in such a small space. He beamed when I told him so. I am sorry he did not get to meet Jeff when we were there in June last year. I know they would have gotten along well. Mom talked about Mike in our weekly phone conversations. They were happy to share their love of sports. I am thankful Les and Barry took good care of him in his discomfort and know he is in a better place now. He will be missed.

Tribute from Michelle McCoy

Relation: Friend

Hi I knew Mike for 7 years and I am so sorry that he left us. He was a good man. I got to know him when I worked at Esso and he really enjoyed ferrying the tubers (no matter what shape they were in!) Throughout his battle he always had a smile for me and took time to talk. I remember how he enjoyed watching curling and smoking his number 7 red kings. The world is a little less bright without him. I am so sorry for your loss.

Hi I knew Mike for about 7 years and he was a wonderful man. He always had a smile and took time to

talk to me. When I worked at the Esso I got to know him quite well while he was driving the shuttle and he sure enjoyed ferrying the tubers (no matter what shape they were in they knew they were in good hands) I remember him looking forward to a good curling match on tv and smoking his number 7 kings. The world is a little less bright without him. I am grateful to have known him.
