Relation: Neighbor & friend

My deepest heartfelt condolences to Mike's loving family especially his mother Delores. Losing a child before you brings an extreme excruciating pain to endure..May all your beautiful precious memories be consoling with comforting ease to you daily.Mike's siblings and family cherish all your memorable moments you all shared together they're yours to keep forever.I was his neighbor in Kiwanis across the hall before I moved downstairs.He was a great pleasant gentleman always like a lovely ray of sunshine.Our humorous chats certainly are and will be truly missed.Rest in peace my friend Yvonne.....

Delores, Dana, Kelvin & Sandy,

We are sad to hear about Michael and have been thinking of all of you. Even though we had not seen Mike in awhile we still have our memories of how happy he seemed to be and was always glad to see you.
