Tribute from Cora Uhlich/Doren

Relation: Mike was a friend of our family, we met him when he and Brigitte were married

Brigitte, what a beautiful tribute to Mike! Wonderful to read all of the many things he accomplished in his life and just how creative and talented he was. Thinking of you Eva and Theo.

Tribute from Karen Hudson

Relation: Friend of Wife

We are so sorry to hear of Mike's passing. He is remembered as a creative man with too many talents to number. We always enjoyed his visits to the Salt Spring Island Public Library because of his kind nature, and you never knew what project he was working on and what you might learn. Mostly we remember him as a supportive husband and partner to Brigitte, especially during her time planning and building our new library.

Sending sympathy and condolences on behalf of all the library staff and volunteers, you are in our thoughts and prayers.

Karen Hudson, Library Director

Tribute from Grethe Dehn Norgaard

Relation: Friend of Brigitte from junior high school.

I was shocked and saddened by Mike's passing. Every word written about him is a tribute to a life well

lived. He was a good man in the true sense of the word. He will always be remembered by my family for teaching my sons to ski (between his legs) when they were very little. His patience was epic! Our thoughts are with you Brigitte and, of course, Eva and Theo. He will be missed.

Tribute from Mike Hansen

Relation: Co-worker (survey assistant/surveyor) with Mike at the City of Burnaby

Very sorry to hear of Mike's passing. We shared a good deal of time together as (survey) co-workers at Burnaby back in the late 80's. Mike was very much a mentor to me in my career development, and provided invaluable guidance and wisdom to myself as a young person. To Brigitte and Eva (and Family), our deepest sympathies are with you at this time.

Tribute from Larry Phillips

Only just learned of Mike's passing. I worked with Mike in the early '80's at the Corp of Burnaby. We had a lot of laughs together... usually at each other's expense.

Brigitte, you and your family have my heartfelt condolences on Mike's passing, but there may be some consolation in knowing his was truly a fine life well lived.
