Tribute from lessLIE (aka Leslie Sam)

Relation: colleague

I am so sorry to hear of this tragic loss. I really liked Miles and enjoyed working with him. When he worked for The Simon Charlie Society, I was given fond and enthusiastic memories of working on the coast salish calenders and other potential projects with him. He helped instill in me confidence to pursue other areas related to Coast Salish knowledge :)

Relation: community projects

I was saddened to hear of Mile's passing. I have known Miles for many years through his work in community projects to assist unemployed people to gain skills to get back to work and to provide legacy projects in the community that will have an impact for years to come. Miles was smart, passionate about his work and ideas, and committed to the improvement of community services in the Cowichan Valley. He will be greatly missed. My condolences go out to his wife, children and extended family. RIP Miles....
