Definitely Monique will be singing and dancing in her new life with Del. We were fortunate to have them both in our lives and will remember the happy times together, both at work, and as a couple. Take care , we are thinking of you Marcelle , hugs, Ferd and Marj Kallstrom

Tribute from Christine Carlson (Gustynowicz)

Relation: We worked together at Cowichan District Hospital

I worked with Monique at CDH....back in the 70's....I remember when she met Del and the rest is history lol....I use to run into her and Del I the old Overwaitea and she would say to me...you know where Del is...outside smoking hahaha and sure enough....my biggest memory is the way she use to give patients needles, they would never feel them and wondered when they would get it, well, Monique was already finished. We use to have a lot of fun on 3 South....memories

I will be forever grateful for the day Monique and Marcelle moved next door to my family. The grace and dignity this family lived their lives with, made a deep and lasting impression in my life. The friendship and kindness will never be forgotten. Many blessing Monique.....till we meet again
