Tribute from John Knapton

Relation: friend

Sue and boys, it is with much sadness that I heard of Nevilles passing and still do not believe it has happened. Your family has always been special to ours making this all the more unbelievable.

Neville was a special person making anyone who knew him a better person.

Tracey and I are in the middle of a trip on the prairies and will be unable to attend the service, but know that we will be with you in spirit on that day and forever.

Hugs, John Knapton

Tribute from Steve Adrian

Relation: High School Friend

My sincere and heartfelt condolences to you and your family Sue.

Although many years have passed since I last saw Neville, I have very fond memories of our time together at Sentinel and a few years beyond.

I will never forget his delight in cranking and sharing his "state of the art" sound system with me. He gave me a new appreciation of what music really should sound like. I always think of Nev when I hear the band Rush.

With sadness,
Steve Adrian

Tribute from Pat Fiddis

Relation: Friend

I am so sorry to hear of Neville's passing. I still cannot believe this has happened and I send my condolences to all the family, Sue. Such a sad time, but he was such a wonderful, kind and warm person. When I worked in Mill Bay and my car was in for service, he would bring it to my work, exchanging it for the loaner one that I had driven there. I did meet you and the boys at some local event and he was so proud to introduce me to you. I will remember him always.

Tribute from Rob Eger

Relation: Friend

Neville was my 1st real childhood friend and we remained close through many years. As kids we used to fish in a certain spot on Capilano River. It was a special place for me: peaceful, scenic and with a magical quality to the sunlight as it shone through the thick tree canopy to the water.

Over years we never caught a fish there but Neville's friendship kept me coming back. Now, many years later I still often think of that place. When I learned of Neville's death I went back there again. My memories will still be of my childhood friend with the soft lisp and the hours we spent together solving our problems.

Tribute from Kevin, Declan & Arden

Relation: Cousin

Our hearts, thoughts, and condolences go to the family and all that knew and loved Neville. May there

be comfort in knowing that someone so special will never be forgotten.

Dearest Sue, Keaton & Tysen. I can't even begin to imagine the sadness you are feeling. I have such wonderful memories of time spent with Neville & Keaton when we were stay at home "moms". He was such a proud papa! So much laughter with his unique sense of humor. I am so thankful to have known Neville and send my love your way. He loved you so very much!!

Tribute from Margaret Symon

Relation: Duncan Hyandai

Neville was always cheerful, courteous, and knowledgeable when I brought my vehicle in for servicing at Duncan Hyandai. We were saddened over the passing of a young employee at Hyandai a few years ago; more recently, Neville was sympathetic about the loss of our own son; now we offer sincere condolences to Neville's family on another life taken too young. May the happy memories of good times spent with Neville sustain you as you move on.

Dear Sue, Tyson and Keaton,

We were shocked and saddened to hear of your loss. We felt blessed to have known Valerie for many years, and doubly blessed to have met and known Neville. We will miss seeing his warm smile and hearing news about your all. Sending many thoughts your way. Karen, Paul and kids.

Tribute from Marilyn Weland

Relation: he was my mechanic

I was shocked and saddened to hear of Neville's passing. We knew him for years, bringing in the old Excel for servicing. We called him no-shit Neville. Some time ago he told me to take the car off the road, I said, "aw, you don't mean that." He said "Yes I do!" I continued to drive the good old car, however on February 20 it developed a massive oil leak. It got me home, but it is beyond repair.

So wherever cars and mechanics go, Stinky has gone to find Neville.

I don't know the family, but I am very sorry for your loss, he was a great guy.
