### **Tribute from H.W. Wallace Cremation & Burial Centre**

H.W. Wallace Cremation and Burial Centre Staff send our condolences to family and friends.

### **Tribute from Blaine Worth**

Relation: friend

I knew Norm since 1978 when he helped frame my second home and employed him again in 83 when we frames my present home. Norm was a great builder, great sense of humour and we kept in touch over the years over lunches in various places around Victoria. Hard working , industrious and overall a person I admired with his indominateable spirit. I learned a lot when we worked together and had a lot of fun. Rest peacefully Norm. I miss you.

### **Tribute from Dan Doneley**

Relation: Family friends during younger years

To the surviving family of Norm from the Doneley family please accept our deepest sympathy at this time of Norm's passing. Although we have not been in touch during the recent years we have many warm memories of times our families spent together. I send this on behalf of my late wife Mickey, my late son Dan, my two daughters Adrienne and Diedree and myself Dan Doneley.
