Relation: community service

Norm was a wonderful member of the community and I am saddened by his passing. He and Addie contributed enormously to our Valley, particularly through Kin and the United Way, and he leaves a tremendous legacy. My special appreciation to the family for sharing Norm with the rest of the community, and my condolences .

Relation: Relationship - How did you know the deceased?

Even though we met only a few times, I do know how much your grandson, Andrew, loved you. A grandfather's love is strong and deep filled with memories to cherish. Our deepest condolences to Andrew, Andrew's Grandmother Adelene, along with their family. May they find peace and comfort in the days ahead.

Relation: My daddy â••

He was a good, loving, supportive father. He was always there for me when I needed him. He was my best friend (and mom too), and he was helpful, full of good advice, a great teacher, and awesome support person for me. I've always KNOWN he loves me, all my life, and he told me many many times how proud he was of me! I love him back even more, and I'm proud of him too! I feel blessed and honoured, that I was there holding his hand during his last peaceful breath. I'll miss you daddy... my guardian angel
