Relation: granddaughter

Grandma's generosity, kindness, concern, thoughtfulness, lives on her daughter, my mother, Lorraine. Thank you for so lovingly offering your home and your heart to her. Because of you, I was blessed to have the opportunity to create new memories with Grandma that I will treasure forever. You were a wonderful daughter, and are an amazing mother. Love you and dad more than words can say!

**Tribute from Jeff Yarema**

Relation: family friend

Our whole family sends our condolences. We all have fond memories of Olive. She was a faithful sister and Jehovah will remember everything she did. She was a wonderful friend to my mother. And we will never forget the amazing meals she used to make. Also the Tuesday night snacks we used to have at their house on the farm after the book study. We look forward to the day when we can see both John and Olive again in the paradise. May the God of all comfort be with you all.

Relation: granddaughter

My childhood is filled with the very best memories of my Grandma Olive, staying at the farm with Lori, making perogies, baking, family dinners, knitting, dancing to polka music, playing cards, picking berries...and so much more. She will be fondly remembered, her strong, sweet and always generous personality. I have lived very far away for the last while, but I am so grateful that my parents and sister were there for my grandmother and I will miss her dearly.

With love always.
