#### **Tribute from Shannon Smiley**

Relation: Dear friend

Pat has had my heart since the day I met her. She is a spicy, funny, brilliant woman who makes such an impact on the people she meets. I love her dearly and will miss the lovely little downstairs visits and doing her makeover at Pharmasave. Love you Pat and hope you know how much of a gem you are. Your presents will be noticed. xox

I meant to say your absence will be noticed.

#### **Tribute from Marika**

Relation: Her Granddaughter

My grandmother was the most beautiful, capable, patient, light up the place as soon as she entered, gave her opinion even when it wasn't needed, listened when nobody else would, biggest cheerleader and best card player! She was the last standing in jeopardy and always a scotch no rocks before bed.

I feel so lucky to have you in my life and I feel even more honoured to have had you as my grandmother. I love you so much, a bushel and a peck more!

All you have in this world to give is love, and man Gram, you gave it! 143
