Tribute from Valerie Fahlman

Relation: Friend

I had the pleasure of knowing Pat thru her beautiful daughter Lori. Having not had many opportunities to see her often I quickly learned she was someone who loved living and loved her life. She was probably the most peaceful person I have ever met and I wished to have her grace one day. She was a gift to anyone who knew her as she accepted all those she spent time with. I loved watching her with her Grandkids she loved them dearly.

Tribute from Nicole Strelie

Relation: Close friend of her daughter Lori

So sorry for your loss. I remember many sleepovers at the farm with Lori throughout our high school years. You mom had a great laugh, was an amazing cook and always took pride in her house and yard. xo

Relation: Friends

Larry - we are so blessed to have had you and Pat as not only friends but also neighbours. The time we have spent together we cherish and look forward to spending time with you when you are 'home' or if we get out that way. You two were the first 'trespassers' we met when we moved to the lake and it turned into a wonderful friendship. Pat was truly remarkable and a beautiful person and truly lived. We will really miss her. Hugs and much love.
