Hi Fred,I realize many years have gone by since your wife Pat has passed but I wanted to let you know I have many good memories of her.She would pile all the kids into the station wagon and drive us up to Bouchie Lake for an afternoon swim.I'll always remember the day she hit the brakes and said hang on kids but don't like that guy tailgating me.We all laughed and carried on..Fred you were a great doctor making a house call to check to see if I was okay after I got bucked off my horse.Thank you for being our neighbour many years back .Feel free to contact me anytime
