Tribute from H.W. Wallace Cremation & Burial Centre

H.W. Wallace Cremation & Burial Centre staff send our condolences to family and friends.

Tribute from Leslie

Your Mom worked for our janitorial business and we remained friends after she moved on. I used to run into her every once in a while the last few years. My heartfelt condolences to your family. It is always so difficult to lose your mother but I know you will always keep her in your heart. Just remember that it was not how much she enriched your lives but also how much you enriched hers. She was very proud of her children.
