Tribute from Roger Partridge

Relation: I was his Massage Therapist

Sad to here of Peter's life journey coming to an end. I attended Peter as his Massage Therapist (RMT) for several years and we enjoyed many conversations about life,golf. achy shoulders and Ontario stories, as he lived there for some time on some farmland raising cows and all. He certainly had a quick mind and wit and always had a positive outlook on life. My best to Judith. It was a pleasure to know you both.
