Tribute from Shawn Taylor

Relation: Exclusive Mechanical

I was very sad to read about Pete's passing in the weekends paper. Please pass my sympathy and condolences to family members.

I'll always remember Pete as one who liked to share a story. I always enjoyed pulling up to the parking lot at Apex and seeing his truck in the parking lot, looking forward to a chat with him. He always went out of his way to help out in any way - without wanting anything in return. He was a good man.

Sincerely,

Shawn Taylor

Tribute from Sheila Service

Relation:

Dear Eula and family":

I was really shocked to see the notice of Peter's death in the Citizen. Just wanted you to know that my thoughts and prayers are with you all at this sad time. I will be unable to attend your open house as I am leaving the country Saturday for three weeks. The first year will be especially hard with all the "firsts" where Peter will be missed but time does help the pain.

I will think of you on the 13th.

Sincerely,

Sheila

My deepest sympathies. I had the highest regards for Peter. Peter and I worked together a few times over the years. He was a very hard worker and good welder. I'll miss him.
