**Tribute from Dave & Laurie**

Relation: Friends

The little blue truck, the bigger green/sandy yellow truck, the many trips in to town, the many Sunday's on either deck laughing out loud, that was Phil to us and our memories of him will be of those great times. And the robot costume was the best ever. It is time to take it easy Phil, we know where you are, so relax.

Our condolences to Jackie and Phil's near and extended family, he was a good man.....

Dave & Laurie
