

**REMEMBERING**  
**Philip Waters**

April 3, 1936 - November 10, 2016

Phil passed away peacefully on November 10, 2016 in Cowichan District Hospital. He is survived by his loving wife, Jackie, sons Terry (Marion), Robin (Kim), daughters Geni (Shawn) and Glynis and grandchildren, Colin, Ross, Ian, Diane, Lochlan, Jessie and Kaeli. Brothers in law, Robert, Ricardo and Christopher and Marjorie.

During his struggle with cancer, he spent many days in Sechelt watching the ocean and wildlife, which he so much enjoyed. Always at his side was his beloved cocker spaniel, Abby. Jackie, wishes to give heartfelt thanks to Dr. Bryan Bass and Trianna, the nursing staff on the third floor and special thanks to nurse Sue at Cowichan District Hospital. Jackie would also like to thank her loving family and dear friends for their support and compassion throughout Phil's illness.

At Phil's request there will not be a memorial service. Instead, when by the water, please take a few moments to remember Phil for his passion for life and people.

There will be a gathering of family and friends at a later date.

In lieu of flowers, donations to the Cowichan District Hospital Foundation will be appreciated.
