Prayers and strength to the family Philomena was so helpful, caring and not ever afraid to correct what was not right in our culture. She is going to be missed dearly but now she is called to continue her journey to the Creator and we know she will be welcomed by the family that left before her. May you all find peace with prayer and continue to carry and share the wisdom that Philomena has left with each and everyone of you.

Dear beloved family and friends of Philomena. It is with sadness that I learned today of Philomena's passing. It has been some time since I have had conversation with any of you. However my heart carries forever my love, prayers, and gratitude for the inspiration, spiritual companionship, and merry years of deep friendship with your beautiful father and zesty mother. Know that I hold you in the embrace of our Beloved God that your hearts will remain comforted knowing you carry on the life of these great parents. With deep affection always, Sister Patricia Shreenan
