Relation: Was a good friend

Quinn. I remember meeting you at a party years ago... We sat at a computer and were on radioblogclub.com for hours listening to various bands. You got me hooked on TOOL. We used to play guitar together lots too. Man that was great. Oh! And you showed me Fight Club and Trainspotting at your place. Both amazing and horrific movies. I will never forget that. Running into you at the Courts a few months ago and being able to tell you all these in person... Not knowing it was the last time I was ever going to see you.. I'm glad I was able to tell you everything. I'm sorry that you were hurting. You were a true friend and I'll never forget you. You always had a smile on your face and made time for everyone. Thank you for making the world a better place.

Relation: Friend from high school

I knew Quinn from high school, I spent 2 years in Cowichan Valley and he was very friendly to me in my transition to a new town and new school. More recently in July, I was in Victoria for meetings and on my way out of town, I stopped to get gas and snacks and none other than Quinn recognized me in the same gas station, it has been at least 10 years since we last saw each other. He mentioned he was up on the Coast of BC doing work for the CCG in the most unlikely of places, near my small hometown of Klemtu, BC. It was so good to catch up and chat for 10-15 minutes. My condolences to

his family and friends.

My deepest condolences to the Lauridsen family in this difficult time. Quinn was a remarkable person and I feel lucky to have known him and fortunate that we had the opportunity to grow up together. He was hysterically funny, acutely unique, and downright clever. The Lauridsen's are a wonderful family and they raised a brilliant individual. Quinn Lauridsen will be immensely missed by all.

Our biggest condolences to your family. Very sorry for your loss. I remember Quinn on our first drive across Canada. I was amazed at the size of his legs. Wondering how long it would take to dry all those creases. Our prayers are with you.

**Tribute from Greg Noonan**

Relation: Family acquaintance

Although I had rarely seen Quinn in the last fifteen years, Vicki and I had the pleasure of having him over for a few hours about a year and a half ago. It was an honor to hear him describe, in a walk around our Glenora property, the fun he remembered with his friends here, especially bonfires, the fun of darkness and games played while the adults kept an eye out for too much of a good thing. It is a lovely memory and we mourn his passing. Greg Noonan

Dear Craig, Maria and family,

I just learned yesterday of the tragic loss of your sweet son, Quinn. Though we never met your children the day we visited for lunch, your love and pride of them was evident throughout our conversation and in each room of your home. Quinn's love of music particularly stands out in my mind. Please accept my heartfelt condolences during this most difficult time.
