Tribute from Ray

Relation: Co-Worker

Sending my condolences to the Dhut family during this difficult time. I worked with Jinder for a short time, and we hit it off right away. I was a stubborn 17 year old kid, he was like my older brother. He was easy to talk to about anything whether it was work or life. I will always remember how he would make sure I would not get into the wrong crowds, he told me stories of his incredible life and how much of an impact we have on others. He challenged me to do better and be better.

Gone too soon

Known Jinder since I was a young lad .. and he was even younger. Always just took one a look at the other and we'd be cracking up. Nothing but great moments we had. I miss you Jinder and those ol Cowichan days. My condolences to the family. He's for sure missed.
