Tribute from Christine Brant

Relation: married 20 yrs...friends forever

It is so hard to believe that your Dad had to leave us. I know the pain in your heart is raw right now. Give it some time and things will start to get better. Remember all the times your Dad took you up to the cabin and how much fun you had with him. I can still remember his laugh...I left his chair out under the tree where he used to rest with Louie before heading home. Your dad helped a lot of people during his life. He left a strong, confident, young woman behind to sing his songs and tell his stories....
