Thinking of you at this time. It was a privilege to know Ray. We knew them as I taught one of their children, scouting, and I knew his wife.

Many wonderful years of memories the Landy family has with the Thom family. Thinking of the very special family of Ray Thom's ... Fond memories for us.

Tribute from Malcolm Crockett

Relation: Friend

Very dear Ruth and family,

Many fond thoughts are with you at this time of loss and transition. For so many years Ray and you could be depended on to provide treasures of exceptional quality to the community: you sold me my

first Harris Tweed sports jacket, leather driving gloves, those blue oxford cloth button down shirts, and the best ties, but the greatest of treasures were that you two, season after season were always there. Always a cheerful greeting, informative updates on the successes of a colleague I'd lost touch with...; thank-you for your many years of attending family functions and Ray's unique tact - and wit, "...You're looking prosperous!" I'm so appreciative that when you were leaving the store, Ray gave me one of the revolving tie display stands. I'll always treasure it and remember... So good to see you and Ray last summer, and allowing me to share that even the strongest, most loving and best of us can struggle with the challenges of compassion fatigue. I am so sorry I will be on an assignment and unable to condole with you at Ray's memorial. Hope to see you soon to let you know in person how my family and I will always fondly remember Ray's many fine qualities and that we - and many in the community - were so privileged to know him. With deep and sincere sympathy, M.
