Becky your passion for friendship, your caring ways, your smile, your thoughtfulness, your Love will always remain in my memories of you. May you bask in the sunshine of Love for all of eternity. Tribute from Joy Charleson

Relation: Sister/friend

Oh my word, where do I start. Rebecca taught me so much. Becky called me sister from time to time and also work wife. Another nickname from Becky when she went to Mexico was Radar lol because I was always there to support her and make her day at work less stressful. At the same time I imagine I stressed her out too.. My heart aches knowing I will not have the pleasure of one more hug one more "I love you" from her.. Thank you to her children, parents & siblings for sharing such a wonderful women with the rest of us. I will keep her near and dear to my heart. I loved Becky so much

Tribute from Charlene Larone-Piche

Relation: Friends-Roomates

Can't believe this happened to such a great person. Being roommates gave me such great memories of her,Jennifer and Alycia. It will always bring a smile to my heart when I think of becky and the shenanigans we pulled when going to the pubs in Victoria. All of you should be very proud of how you have dealt with this loss. It shows what a great family unit Becky was/is apart of. Thinking of all of you daily and know that you will remember with laughter and tears of joy, not sadness as time does heal.
