
REMEMBERING

Rebecca Sundstrum - Lebrun

January 7, 1962 - December 31, 2015

It is with great sadness we must inform you that, after her courageous battle with cancer we have lost our Becca AKA Nawnee.

She is lovingly remembered and missed by her children, Jennifer Faithfull (Gerrit Robertson), Alycia Faithfull, Dylan Lebrun (Caitlin Olsen); her grandchildren, Greyson and Abigail Robertson. She is also remembered by her mother and father, Arne and Donna Sundstrum, her sister Karen Mosher, her brother Korey Sundstrum and their families.

She will be remembered for her big heart, willingness to forgive, and her ability to see the good in everyone. All who knew her, loved her contagious laughter, her beautiful smile and her intense love for her family.

Her family asks that in lieu of flowers you please consider donating what you can to the gofundme account to cover the expenses of the Celebration of Life which is to be held on January 7, 2016 at the Luxton Hall in Victoria, BC.
